Total asset-based fees for the most recent quarter end are available on our website, please visit www.texascollegesavings.com/expenses. Additionally, all program fees are contained in the Plan Description and Savings Trust Agreement.

The Texas College Savings Plan® is established and maintained by the Texas Prepaid Higher Education Tuition Board. Orion Advisor Solutions, Inc. (“Orion”), is the plan manager and the Plan is distributed by Northern Lights Distributors, LLC (“NLD”) and administered by Gemini Fund Services, LLC. (“Gemini”) NLD and Gemini are not affiliated with Orion.

Non-residents of Texas should consider whether their home state, or the beneficiary’s home state, offers its residents any state tax or other state benefits, such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state’s 529 plan.

The account, the principal invested, and any investment return are not guaranteed, insured, or treated as a deposit or other obligation by the state of Texas, the FDIC, the Texas Prepaid Higher Education Tuition Board, any other state or federal governmental agency, or Orion, NLD, or Gemini or their respective affiliates. An account might not make money and could lose money (including the principal invested) if money is invested in the Plan. Interests in the Plan have not been registered with the U.S. Securities and Exchange Commission or with any state.

Before investing in the Plan, investors should carefully consider the investment objectives, risks, administrative fees, service and other charges and expenses associated with municipal fund securities. The Plan Description and Savings Trust Agreement contains this and other information about the Plan, and may be obtained by visiting texascollegesavings.com or calling 800-445-GRAD (4723), option #3. Investors should read these documents carefully before investing.

* You could lose money if you select a money market portfolio. Although the money market fund in which your investment option invests (the “underlying fund”) seeks to preserve its value at \$1.00 per share, the underlying fund cannot guarantee it will do so. An investment in this investment option is not insured or guaranteed by the FDIC or any other government agency. The underlying fund’s sponsor has no legal obligation to provide financial support to the underlying fund, and you should not expect that the sponsor will provide financial support to the underlying fund at any time.
